Lise L. Payette, Clerk
for the Building Committee.

Brentwood, February 15, 1957

The Building Committee met at the County Farm at the request of the County Commissioners, at 1 p.m.

Commissioner Fuller reported that the Hardware contract had been awarded to Dennison Co. for the amount of \$7,777.

Commissioner Brown reported that bonds will have to be sold this year, requiring \$3,000 additional for interest on bonds to this year's appropriation. Bonds will be sold in the amount of \$400,000.

The sewage disposal system was discussed. Comm. Brown told this Committee that the state engineer had recommended an entirely new system for the whole institution, called a trickling filter system. There is the possibility of 30 per cent federal participation. An estimate of \$25,000 to \$30,000 had been made for this system. There would be approximately \$9,000 from federal participation plus the \$10,000 allowed on the present contract with Harvey Construction Co., which would leave a balance of approximately \$10,000 to be taken from the \$859,000 appropriation for the new building. At this point it is moved by Mrs. Dondero and seconded by Mrs. Payette, that Mr. Granger make the drawing of the sewage disposal AND THE GENERAL CONTRACTOR complete the work with Mr. David Smith supervising. The motion is unanimously adopted.

Comm. Brown reported that the Commissioners had obtained an estimate of \$30,000 from Standard Plumbing & Heating Co. for a boiler just like that other two which are now in use. This work would be done entirely sep-

arate from the contract. The matter of obtaining bids on this project was discussed, and it was agreed that the Commissioners would put it out to bid. The Committee voted to stand as favorable to the Commissioners proceeding with getting bids on a new boiler and reporting back to the Committee.

Commissioner Fuller brought up the matter of purchasing a strip of land of Fred Herbert Taylor to provide roadway at the rear of the new building. Mr. Smith will lay it out while on the job here at the new building.

ROCKINGHAM COOPERATIVE EXTENSION SERVICE

Work is made possible through the cooperation of the United States Department of Agriculture, University of New Hampshire and Rockingham County. During the past the Rockingham County Farm Bureau (through its Executive Board) has been the recognized local official organization cooperating in a supervisory capacity. Commencing January 1st, 1958, the recognized cooperating group will be the "Rockingham County Cooperative Extension Service Council". This is in accordance with the following resolution passed at the last Rockingham County Convention as a memorandum of understanding with the Board of Trustees of the University of New Hampshire and signed by the President of the University of New Hampshire and the chairman of the Rockingham County Convention. To quote: "Be it resolved that with a view to continuing the policy of local guidance, the Board of Trustees of the University of New Hampshire and the Rockingham County Convention do hereby enter into an agreement to recognize the Rockingham County Extension Service Council as the sponsor of Extension work in said county and further recognize a Finance Committee of the Council to deal directly with the County Convention". The County Convention is represented by a member of said Council.

Brief reports of each agent, covering the highlights of the regular lines of work ie County Argicultural, County Forester, Home Demonstration and 4-H Club Work were formerly given in past Rockingham County Annual Reports. As suggested by a Delegation Budget Committee complete reports on Cooperative Extension Work have been omitted to save space and expense. Reports or information covering the work will gladly be supplied by your Extension Service Office.

The main office of the Rockingham County Extension Service is in the Masonic Block, 61 Water Street, Exeter, N. H. Five regular Extension Agents are employed for work in the county. Also since February 1st 1955 there has been an Assistant Agricultural Agent on a part time basis (one third time during the past year). County Agricultural Agent, James A. Purington, also holds office hours on Saturday mornings in the County Commissioner's Office, Adams Memorial Hall, Derry, N. H.

County Extension Service Agents serving in Rockingham County include:

County Agricultural Agent, James A. Purington
Asst. Agricultural Agent, part time Robert A. Stevens
Home Demonstration Agent, Ruth G. Stimson
4-H Club Agent, Elizabeth Bourne
Associate 4-H Club Agent, Harry B. Knox
County Forester, Roger P. Sloan

ROCKINGHAM COUNTY SOLICITOR'S REPORT

During the past year there has been a slight increase in the number of felonies committed in Rockingham County. A vast majority of them have been solved and respondents either entered pleas of guilty in Superior Court or received jury trials.

The merchants of the area continue to be plagued by worthless checks, many of which are being passed by professionals. These checks frequently appear to be payroll checks drawn by some local businessman, but are actually forgeries. The police are usually able to apprehend the offender but often not until many persons have been defrauded. The only protection is to refuse to cash checks for unknown persons.

I want to extend my thanks to all the law enforcement agencies in Rockingham County for their fine work and cooperation.

LINDSEY R. BRIGHAM,

County Solicitor

SHERIFF'S REPORT

January 31, 1958

To the Honorable Board of County Commissioners:

I am pleased to report to you that another year has passed without a homicide within the County. We have had one serious assault case and although the lessor felonies, consisting of breaking and entering and also larceny by check have substantially increased during the past year, I am glad to be able to report that the greater part of these cases have been cleared up. In the case of car larceny, many cars were returned to their owners without injury, and the value of many stolen articles was made up through restitution or by the return of the goods taken. I am sorry to have to report that Rockingham County like many parts of the Country has also shown in increase in Juvenile delinquency. Many of the cases which we have been called upon to investigate have been found to involve teenagers from all types of homes. However through the years it has been a pleasure to note that many of these young offenders have later turned out to be worthwhile citizens and a credit to their community.

We are grateful to the Commissioners for the many improvements at the House of Correction, especially the new office and receiving room, together with the new filing system and the increased radio facilities and better radio coverage. Our radio system has so greatly improved during the past three years that we now have the most efficient coverage of any county in the State.

We regret the passing of the Honorable Richard E. Shute who was for many years our Judge of Probate

and we extend our deepest sympathy to his widow and the family. We congratulate our Past Chief Justice Stephen M. Wheeler in his elevation to the Supreme Court; however at the same time we shall greatly miss his friendliness and advice in our Superior Court sessions. The above two mentioned vacancies have been filled by two of our finest young lawyers from the legal fraternity. Both of these men are from Rockingham County, which is of course most pleasing to all of us. I extend my best wishes to both of them and hope for many years of success and service for Judge Thomas J. Morris and Judge William Treat.

Our January term of Superior Court was presided over by Chief Justice John H. Leahy, followed in April by Judge William Keller, and in September by Judge George R. Grant, Jr. With these capable Judges presiding, many cases have been disposed of on our docket. I am grateful to our County Solicitor, Lindsey R. Brigham for his assistance and advice to my Deputies and to myself over the past year. I believe one of the main reasons for so small an amount of unsolved crime in our county at the present time, is due to the efficient prosecution by our Solicitor together with the prompt and efficient handling of cases by our Municipal and Superior Judges, whenever the prosecuting officers were ready to present their case. I am grateful to all town and county officers and to City Marshall Betz and his department of the city of Portsmouth; the various State departments and our Municipal Judges for their co-operation and valuable assistance at all times.

May I again remind you and the citizens of Rockingham County that my services and those of my deputies are yours for the asking at any time of day or night. Please feel free to call whenever assistance is needed, remember our slogan, "When in trouble call the Sheriff".

I extend to my deputies my appreciation for their efforts and efficiency and I hereby submit my list of all Deputies for the year 1958.

Dr. Fred Fernald

We have received many expressions of interest in the patients here in the way of Christmas gifts, carol singers, a lovely Christmas party, visiting groups from the organizations and churches in adjoining communities, favors for the trays and tables for all holidays, and church groups assisting in the church services. All these efforts demonstrate an interest in the happiness and welfare of our patients and we are extremely grateful.

To all local, county and state agencies with whom we come in contact in the work here at the institution we extend our sincere thanks for the wonderful cooperation which has been extended to us.

We extend a cordial invitation to all interested persons to visit the institution and acquaint themselves with its services and operations. The services extended have grown considerably over the years and we are happy to be of such service, one of which is the administration of the surplus foods program for all the towns in the County.

To Dr. Fred Fernald we wish to express our appreciation of his many years of faithful service in looking after the medical needs of the patients. We wish for him many years of happiness in his semi-retirement.

We greatly appreciate the cooperation, support and guidance of the Board of County Commissioners.

Respectfully submitted,

DOROTHY F. HILTON, Matron

GEORGE W. HILTON, Supt.

PHYSICIAN'S REPORT

To the Honorable Board of Commissioners of Rockingham County:

At the end of nearly 25 years as Physician at the Rockingham County Home, I have resigned due to failing strength and the added responsibilities of the opening of the new nursing home.

My report on the condition of the Mitchell Hospital and the County Home is good. This past year has been one of our busiest, with many very old and very sick patients who have required a great deal of nursing care. The sanitary conditions of both buildings are good. The addition of the new nursing home with the much needed extra space will improve working facilities.

I would like to express my appreciation to the Board of Commissioners and Mr. and Mrs. Hilton for their cooperation. I also wish to commend Miss Shattuck, the nursing staff and all helpers for their untiring and conscientious efforts in caring for the patients.

Very respectfully,

FRED FERNALD, M. D.

Nottingham, N. H.

CHAPLAIN'S REPORT

To the Honorable Board of Commissioners of Rockingham County:

I began my duties as chaplain in October of this year. Since that time I have conducted religious services on every other Sunday afternoon. On many occasions Mrs. Judkins has accompanied me and contributed to the service by providing special music. On the Sunday before Christmas the Junior choir from the Brentwood Baptist Church rendered a series of Christmas carols as a part of the service.

Prior to each service I have been able to do some visitation, largely in the Infirmary. On one occasion I left copies of "The Secret Place" as reading material for all who desired it. I think it was appreciated.

At the close of each service, most of those present have ardently expressed their appreciation of the religious services, and confirmed it by regular attendance. I would say that the services have been fairly well attended. There was no private or personal consultation this year, but it is hoped that as the inmates become better acquainted with their chaplain he may be of greater service in this respect.

To the Director of the Home, and the members of the Staff in general, I want to express my thanks for their splendid and complete co-operation.

Respectfully submitted,

GUY M. JUDKINS, Chaplain

CHAPLAIN'S REPORT

To the Honorable Board of Commissioners of Rockingham County:

Throughout the year many visits have been made to the Hospital, the Home and the Infirmary. Each one of these meetings has fostered a better understanding between the priest and the sick, and, have brought solace, peace and calm to many. The sacraments of Penance and Holy Eucharist contributed much to bring about these consolations.

I feel sure too, that the sunshine baskets offered by a group of ladies from St. Joseph's parish of Epping have brought a little joy to everyone.

I take this occasion to express my sincere gratitude to each and every member of the staff for their splendid cooperation.

FATHER ARMAND PROVOST, Chaplain
